Exciting News: Mitford Church Project 2026 on the Horizon

We're delighted to share that something special is on its way.

Plans are currently taking shape for the *Mitford Church Project 2026*—an exciting initiative that promises to bring new energy, opportunities, and community engagement to our church. While details are still being finalised, there's a real sense of momentum building, and we can't wait to take this journey together.

This upcoming project is rooted in celebrating the life of our church—honouring a rich heritage that has helped shape our community for over 800 years. As we look ahead, the project seeks to build on this strong foundation, creating a church for the future that remains deeply connected to its history while continuing to serve and inspire generations to come.

Over the coming weeks, we'll be hosting a series of **information sessions** where you'll be able to learn more, ask questions, and discover how you can be part of what's ahead. Whether you're curious, enthusiastic, or simply want to stay informed, these sessions will be a great opportunity to get involved.
