Exciting News: Mitford Church Project 2026 on the Horizon

We're delighted to share that something special is on its way.

Plans are currently taking shape for the *Mitford Church Project 2026*—an exciting initiative that promises to bring new energy, opportunities, and community engagement to our church. While details are still being finalised, there's a real sense of momentum building, and we can't wait to take this journey together.

This upcoming project is rooted in celebrating the life of our church—honouring a rich heritage that has helped shape our community for over 800 years. As we look ahead, the project seeks to build on this strong foundation, creating a church for the future that remains deeply connected to its history while continuing to serve and inspire generations to come.

Many people have been asking about how to reserve a pew to buy. You can do this by getting in touch with Elodie at [wanbeckvicarhelp@gmail.com](mailto:wansbeckvicarhelp@gmail.com) and she has a list and will inform you when the pews are ready to be removed.

Some booklets are available in church outlining the plans and all plans are available on the website. Please speak to Elaine if you would like more details .
